Captain Blake

- CPAB turnout is good. Still large group, but I see same faces month after month
- Losing some LAPD officers, because we are not allowed to do overtime, but this Division is running very successfully
- Property Crime was the biggest problem last year. We created the New Crime Unit.
- We also focusing on Proactive Work. We made amazing Burglary and Burglary from motor vehicle arrest
- Main point is we need to reduce Auto Crime and Property Crime.
- Detectives are going out there and will be performing an investigation.
- Result turned out that Property Crime went down 23.3%
- Detailed Crime Stats are available at Olympiccpab.org or LAPD.org

Addition to that Community Side

- Captain explained to the community that the Olympic Carnival was very successful.
- Thousands and Thousands of people came to the Carnival

LAPD Goal for doing this event is

- To bring the communities together and get to know the LAPD
- Earned a lot of money for Youth Program through this event
- Had small Traffic problems, But had thousands of kids don't have opportunity to go to Magic Mountain or Disneyland who got to enjoy the Carnival

E policing

- Please sign up for e-policing at lapdepolicing.org

Last thing

- City Council Vote on "Stop Hiring Officers" Chief came out very strongly. He wanted to continue hiring. Because if we wait couple years then it will bring us down to the least amount of officers that we've had in 10 to 15 years. It takes so long to get hired, to get process going, getting them in Academy, out from Academy, etc
- Most speakers were from Olympic division and I really appreciated that.
- Captain introduce Lori Park who came from Olympic Neighborhood of Council
- Informed that she needs our community support, such as join the membership and etc
- Curfew issue - We focus on Night Patrolling during the Summer time
- Thank you very much Mr. Ho Yoon donated food for tonight
- Needed to be excused, because Captain was invited to an Award Event for Chief Terry Hara
- Chief Terry Hara will get Award from Asian Pacific Island Forum and Captain Blake had to do a speech
- SLO Break out session begins
